

PC Appointments: FAQs

How do I make an appointment to use a computer?

Just phone 0161 607 8237 for Eccles Library or 0161 686 5405 for Broughton Library.

We will explain everything, including all the details about procedures and safety measures. If we are busy and unable to answer your call, just leave your name and a contact number and we will get back to you.

Will staff be able to help me?

Staff will ensure you are able to log on to a PC but will not be able to provide further help because of social distancing requirements.

How long can I use a PC?

For one hour.

Can I print documents?

Not at this stage, unfortunately.

Can children use a PC?

Yes, but children aged under 10 must be accompanied by an adult (over 16 years)

NHS Test and Trace

When making a PC appointment you will be asked for your name and a contact number. All libraries have been asked by Government to collect this information, and the time of visits, for anyone entering the library, to assist with the control of the COVID-19 pandemic.

This information will be shared with NHS Test and Trace where requested, to identify people who may have been exposed to the virus
