Contact us: **Tel: 0161 778 0936 E-mail: schools.library-service@scll.co.uk**

Welcome to the [Salford Schools' Library Service](#) November 2021 Bulletin. Schools that use our service receive extended editions of these bulletins each term. A service level agreement with Salford Schools' Library Service is an excellent way to maximise your budget and support your pupils' literacy, information research and reading for pleasure. To find out more about signing up to our services, contact us:

Tel: 0161 778 0936 E-mail: schools.library-service@scll.co.uk.

We are open as usual: We are open every day, Monday to Friday, as well as during all school holidays (except Christmas). Our staff includes experienced librarians and educators with excellent knowledge of the curriculum. If you have questions on literacy, information research or reading for pleasure we can answer them.

You can now visit us again to choose your own books or resources.

Teachers and other school staff can now make an appointment to come into the library and choose books from our shelves. Contact us by phone/email to book an appointment.

To make an appointment, please contact us in advance of your visit:

- Appointments usually last 45 minutes. Try to give us plenty of notice in advance of your visit.
- Please wear a mask/face covering if you can, respect social distancing and use the hand sanitiser available at the entrance to the library.
- We're sure you appreciate that we still need to take measures to keep staff and customers safe.

There are plenty of brand new books for you to choose from!

We recently purchased thousands of new books which are now available on our shelves. We have replaced popular titles and purchased new Class Reader sets for KS1, KS2 and KS3/4. We have also added some special collections to supplement the books on our Non-Fiction Project Loan shelves:

- Health and Wellbeing/Feelings books (including books about Coronavirus)
- More books by BAME authors/illustrators and books on Black History, Civil Rights and Diversity
- More books about Conservation/Environmental Issues

Ask for these collections when you order Project Loans: Red boxes are issued until the end of term. You can order a box containing topics for the whole term or exchange your box at half-term.

Diversity News

Seven Stories: The National Centre for Children's Books: As part of their [Windrush Programme](#), Seven Stories have launched a podcast [Whose Stories?](#) (for teachers/librarians), exploring why it is so important for children to read diverse books written, edited and produced by diverse professionals. View the Seven Stories collections online, including [manuscripts by Grace Nichols, John Agard, Valerie Bloom and Grace Hallworth](#).

BookTrust: have a [new writer/illustrator in residence, Dapo Adeola](#). His theme, "The Art of Storytelling" will work to support new illustrators and under-represented voices in children's literature.
