- In most classes parents/guardians will be unable to wait on site during the class except in the following circumstances (space permitting):
 - Your child is new to the class and would like the reassurance of you being on site. Please note you will be unable to wait within the class and after a few weeks you may be unable to continue to wait on site.
 - Your child attends a class for under 4 year olds, in this circumstance you will be asked to remain on site.
 - Your child has a disability/ additional need. In this circumstance you will be asked to remain on site.
- Under 8's will be supervised to and from the toilet, but they will not be able to help with any aspect of toileting- for Ballet, Tap and Disco classes, if your child struggles with their leotard they can wear leggings and a t-shirt. Over 8's will be allowed to go to and from the toilet without supervision.
- Dancers must bring their own drink.
- I confirm that my child is in good health and will inform the teacher if this changes.
- SCL staff/ the organisers of the activities are not allowed and cannot be responsible for the administering of prescribed medication.
- The parent is responsible for the safe and timely collection of their child after the class or event has finished.
- Ground rules apply and should the child abscond from the group and not re-join, we will inform the Parent / Guardian and contact the police. At this point the child no longer becomes the responsibility of SCL staff as they are required to look after the other children.
- All items of clothing, jewellery, mobile phones etc. remain the sole responsibility of the owner. SCL staff are under instruction not to be responsible for the safekeeping of any such items. SCL strongly advise that children do not bring such items to the activities.
